

# MEET GUESTKEY

The key to your hotel rooms and guests

# WHAT IS GUESTKEY?

Guestkey enables guests to open their hotel room with their mobile phone and gives you an extra form of communication. This way you are not only fulfilling the hygiene needs of guests, but you also give yourself an extra point of contact to inform your guests with relevant information through the webapp or even to create an upsell by communicating new promotions.

## PERSONAL

Adapt your style

## SAFE

Hygienic: no more keycards

## USER FRIENDLY
